Self-Service Dog Wash & Drying Area:

Self Dog Wash for NON-Swimmer Dogs:

We have two attended self wash and dry stations. Each 28 minute appointment is \$30 and includes 6oz. of premium dog shampoo and 2 towels. Please consult with staff prior to your appointment if you think you will need more than the allotted half hour to complete your grooming. Each station is cleaned after each appointment. For your convenience, we have waterproof aprons, professional groomer's dryers, and a selection of premium dog shampoos (small up-charge for super premium shampoo and extra towels). Additionally, human hair dryers and space heaters are available if you so desire. All dog washes are by appointment only.

NO WALK-INS. Swimming dogs have priority for the dog wash stations.

Self Dog Wash for Swimming dogs:

Each swimming appointment includes 28minutes in our dog wash and dry station. Swimming dogs have priority on wash times. Swimming dogs are expected to bring their own towels and shampoo. If you forget, we sell single use shampoo for \$4 and our towels rent for \$1 per towel. Dog kennels are available to keep your dogs secure if you are bathing more than one dog.

(We reserve the right to charge a cleaning fee if there is excessive dirt, dander, and/or hair left in the grooming area after your visit.)

Orientation & Private Swims

Please call 677-7946 to schedule your orientation and private swim times. Every dog must have a one-on-one orientation swim to be shown how to exit the pool by the ramp, and for the staff to determine what that dog needs to maximize their swimming sessions. Rinsing and drying time are not included in your half hour pool time. A self-service dog rinse & self-service blow dry are included in the price of every swim. We appreciate bathing/drying time limited to 28 minutes per dog. If you need longer it may be necessary for you to coordinate the timing of your swim with low traffic times—see staff for more info. We have shampoo and crème rinse available for an extra \$4, or bring your own if desired. Towels are \$1 each, or bring your own. Only dogs that have completed an orientation are eligible to swim with a partner dog(s) Orientations appointments are Wednesdays - Saturdays.

Cancellation Policy

We understand "unexpected things" come up! **We request 24 hours notice if you find yourself or your dog unable to make your appointment.** Clients are subject to a requirement to pre-pay the full price to make additional appointments (\$50 minimum charge) if they fail to provide 24 hours notice 2 times within any 12 month period.
